## We Are All Evangelizers

**(and whatever else is on Deacon Eric's mind)**

### Of Course, He Gets Us

Well it's time to turn in the shoulder pads and helmets and pick up the bats and balls, it's the change of seasons in pro sports. The Super Bowl last night wrapped up the football season. It turned out to be truly a Super Season for the new champs, the Kansas City Chiefs and an almost-Super Season for the Philadelphia Eagles. This morning I saw that the first of the Detroit Tigers baseball team is beginning Spring Training today. Check back around Halloween to see who baseball's champs will be.

The weather has been teasing us the last several days, dropping hints of Spring amid sunny skies and temperatures around 50 degrees. Could it actually be an early Spring or is it a big tease? We should know better, right? After all, we live in Michigan and we can see on the calendar that's it's just Valentine's Day. Certainly there's another month or so ahead of us of winter weather with snow, freezing rain, and cold temperatures. Since it will be six days between the time this is being written and being read, we may already have our boots on and snow shovels in hand.

But, getting back to the Super Bowl, I want to briefly discuss what prompted the title of today's column. During the game last night an ad was shown depicting a series of public conflicts, people screaming and yelling, pushing and shoving, showing hate for others. And the ad closed with the words "Jesus loved the people we hate." It was an ad financed by a group of super-wealthy people under the umbrella moniker of "He (Jesus) Gets Us."

This is only the second ad from the group that I've seen. The first showed scenes of thousands of immigrants and noted that Jesus, Mary, and Joseph were immigrants who had to flee to Egypt, then to Nazareth to avoid persecution. Last night's ad reportedly cost the financial group 20 million dollars and they reportedly are willing to spend a couple billion dollars to "promote" Jesus as a model for us to follow.

Though the group claims not to be affiliated with any political party or any Christian church, further ads will probably make that clearer. What is already clear to Catholics is that the notion that "Jesus gets us" is old news. We've been preaching that for two thousand years. Jesus knows us because he's walked with us. The gospels show that he's experienced human emotions such as pity, sadness, and anger to name a few. At the start of his ministry he was tempted by Satan for 40 days.

In relation to last night's ad showing anger, hate, and confrontation, we need look no further than today's gospel when he tells us to turn the other cheek and love your enemy. He most assuredly "gets us." Our struggle is that so many of us don't "get him." Let's work on "getting him" this Lent, starting Wednesday.

## What is the Prayer Tree?

The Prayer Tree is an organized group of individuals who pray for our parish family. Prayer requests are confidential and are not shared with anyone outside of the prayer tree members. Parishioners can add their prayer requests for themselves, family members, or friends by contacting the Parish Office at 989-224-8994. The prayer request will be passed on to the prayer tree participants within one business day.

***The prayer list published in the bulletin is not the same as the Prayer Tree.***

*To add an immediate family member to the bulletin prayer list call the office 989-224-8994.*

## A STEWARDSHIP MOMENT

In another passage from his Sermon on the Mount, Jesus continues to turn his disciples' way of thinking upside down. One of the lesson for the Christian steward in today's Gospel is that if we have a chance to help someone in need, we should be generous and give more than is expected of us. Jesus went "the extra mile" for us. Can we be more like Jesus and "go the extra mile" for others?

**Middle and High School Students with altar server experience "HELP".**

We could really use your help (at least until the end of the school year). We have a large number of new St. Joe students freshly trained as altar servers, but we could really use some older, experienced servers to help them through. Please consider assisting at Mass to help our younger servers as they gain confidence in serving the Lord. Please contact the parish office so we can put you on a team for the next few months.

## WHY REGISTER?

Are you registered as a St. Joseph parishioner? Often people will attend Mass at our parish for years, but never officially register. Registering in a parish is a declaration of your desire to be a part of a Catholic community and to make a commitment to the St. Joseph parish community.

Being a registered parishioner makes the process much easier when it is time for **weddings**, **baptisms, Faith Formation** registrations, **baptismal or confirmation sponsorship** and even **funerals**. We would love it if you joined our parish!

Either stop by the parish office or visit our website: http://www.stjoecatholic.com

## HOW ARE WE PAYING FOR THE RENOVATION?

Some folks have wondered how we're paying for the renovation of the church. The majority of the project was funded by a parishioner's bequest, the 2017 Witness to Hope capital campaign, and funds raised by our former Altar Society. We also used all the unrestricted funds in our Building Fund before tapping into our general savings account. This plan was recommended by our Finance Council to the Diocese and was approved by their Finance Council and College of Consultors.

Even though we didn't have to raise money for the project, in June we encouraged anyone who wanted to help, make their donation to the Building Fund. We have seen an increase in those donations and we're grateful for them.

**Thank you to all those who either have supported in the past or are currently supporting the parish help us make our worship home beautiful for years to come.**

## From Fr. Mike:
## The Importance of Mass

***If I've been away from Mass for a long time, or even once, can't I just start over, and begin going to Mass again and start receiving Holy Communion?***

Start coming to Mass right away, but as in the case of any other mortal sin, ask God's forgiveness immediately, but you must have all your mortal sins forgiven in the sacrament of Penance before you resume receiving Holy Communion again. Pope John Paul II wrote in Dominicae cenae, 24 February 1980, "But we must always take care that this great meeting with Christ in the Eucharist does not become a mere habit, and that we do not receive Him unworthily, that is to say, in the state of mortal sin. The practice of the virtue of penance and the Sacrament of Penance are essential for sustaining in us and continually deepening that spirit of veneration which man owes to God Himself, and to His love so marvelously revealed."
