## WE ARE ALL EVANGELIZERS

(and whatever else is on  
Deacon Eric's mind)

### The Joy of Joy

There are certain times in our lives that we find it difficult to be joyful. In saying that, let's differentiate between being joyful and being happy. Being joyful is a deep peace that is anchored in the belief in Jesus and eternal life. Pure joy is perhaps best stated by the Jewish greeting "Shalom, shalom." This is not just a well-wishing of peace for someone we know and love, but that of a deep inner peace. With such peace, one can remain joyful, even if there is sadness in our lives.

Happiness, however, is more fleeting, like the seed that falls among the thorns in the parable of the sower and the seed. That seed did produce some plant growth, but the thorny bush eventually choked it and the plant withered away. The seed that fell on rich soil, in con-

trast, produced great fruit. That plant's strength mirrors joy.

Joy is on my mind primarily because of the Easter season and the great joy that goes with it. The Church celebrates the Resurrection of Jesus for 50 days, which contrasts directly with the 40 days of repentance we experience in Lent. But it's also in the forefront for me because I've read some excerpts from Pope Francis' apostolic exhortation *The Joy of the Gospel* as part of my Easter reading.

In addition, joy is also on my front burner because there have been several recent deaths on the outskirts of my life in recent weeks and I've been praying for several others facing serious illnesses. I know there are many others among us in the same situation, so I think it's important for all of us to remember the strength we can summon through the joy in our hearts. In his writing on joy, the Pope addresses this situation:

Joy is not expressed the same way at all times in life, especially at moments of great difficulty. Joy adapts and changes, but it always endures, even as a flicker of light, born of our personal certainty that when everything is said and done, we are infinitely loved. I understand the grief of people who have to endure great suffering, yet slowly but surely we all have to let the joy of faith slowly revive as a quiet yet firm trust even amid the greatest distress.

The bottom line is that we have to embrace "the joy of joy" the way Linus always clung to his blanket in the Peanuts comic strip. Even when our lives seem to be coming apart, we always know that joy will win out. Though the darkness of the moment may block our vision temporarily, the light of the Resurrection will always win. So let's enjoy our joy for giving us the strength we need, when we most need it.

## THE CHOSEN

### In Lansing and need the Anointing of the Sick?

When you or your loved one is ill, receiving the Sacrament of the Sick is important. When in a Lansing area hospital, please let your attending nurse know you would like the Anointing of the Sick. They will contact the chaplain who will, in turn, contact a local priest who is "on call" to come and give you the sacrament. This is the quickest way for you or your loved one to receive the sacrament, if they didn't already receive it before going into the hospital.

"Offer to God  
a sacrifice of  
Thanksgiving"  
Psalm 100

Thank you to everyone who has made a gift or pledge commitment to our Diocesan Services Appeal. Our gifts to DSA enable our diocese to provide services crucial to our parish. The programs and services funded by DSA offer direct assistance to individuals and families, and to parishes, schools, and Catholic Charities agencies. A "Sacrifice of Thanksgiving" is occurring in the Church right now through our contributions to DSA helping to support dozens of ongoing ministries

**As of 4/24/2023, 268 families have donated \$102,678.34, which is 97.5% of our goal of \$105,307.00 or 26.6% of our 990 active families. Any pledge over and above our goal will be returned 50% to our parish.** If you have not yet made a gift or a pledge, I invite you to do so today. Gift envelopes are available in church or the parish office. Or you may submit your gift online at [www.dioceseoflansing.org/appeal](http://www.dioceseoflansing.org/appeal). Your DSA gift will support the vital services and ministries that help bring the love of Christ to all we encounter.

**If you were raised as a child in the parish:**

- And are now over 18 years of age
- And you did not fill out a parish registration form
- You are NOT a registered parishioner!

**Why is it important to be registered in the parish:**

- We can reach you with important information about the parish and its ministries
- We have a more accurate idea of the number of parishioners we have in the parish.
- It allows us to seek your input and feedback.
- It allows you to formally support the parish financially, since envelopes will be issued to you for your use.
- We can start a sacramental record for you.
- Finally, registering can also help you have a greater sense of belonging to and ownership of the parish.

**Please note:**

The **envelopes** you receive when registering **will now play an important role in the reception of the sacraments.** (i.e. Baptism, Eucharist, Confirmation and Marriage) in the parish. We're asking all parishioners to get into the habit of using your envelopes in the weekly collection. Even if you give online or don't have anything to put in the envelope, please submit an empty envelope. It will help us know how many registered parishioners attend a given Mass and it will also come in handing for determining if a person, presenting themselves for a sacrament, is attending Mass regularly as is required.

You can obtain a registration form from our website at [www.stjoecatholic.com](http://www.stjoecatholic.com) under forms or stop in the parish office.
