## WE ARE ALL EVANGELIZERS

(and whatever else is on  
Deacon Eric's mind)

### Hitting the Ground Running

Sometimes we can ease back into routine following a vacation and sometimes we have to hit the ground running, like we've never left. This year it was the latter. Our trip ended on Tuesday after 12 days on the road and about 24 hundred miles added on to our car's odometer. Wednesday it was a couple of home visits with the Eucharist and a meeting with Fr. John at Most Holy Trinity and the start of Sunday homily prep. Thursday and Friday had similar obligations. I'm not looking for pity. I am well aware that my church obligations pale in comparison to Fr. Mike and all other pastors, but I was kind of planning to ease out of vacation mode into everyday mode. "Que sera sera."

In reality, I would much rather have something to do, than not have anything to do. And I truly enjoy my deacon responsibilities. I tell everyone who's considering retirement to keep working unless they have a plan to keep active somehow. I've known too many people who've retired without a plan just fade away into boredom, withdrawing from life.

God has given us abilities for our entire lives, not just our working lives. There are numerous organizations, including St. Joe's, who can use retirees with professional skills, whether physical or cerebral in nature. Maybe you just like to help people. The St. Vincent dePaul store has just expanded and as such, has more space to cover, more product to price and sort and consequently, needs more people. The only skill needed is a willingness to volunteer. Same thing for organizations such as Meals for Wheels. Service organization membership is down just about everywhere. Help is needed across the board. Stay active.

**VACATION NOTES:** In the Good News - Bad News Department, it was mostly good news. We saw three of our five children, eight of our 13 grandchildren, visited my 84-year old brother, whose travel is very limited nowadays, two nephews, a niece and two great nieces. The highlights during family time were baptizing my granddaughter Alora and celebrating my daughter's 40th birthday.

Outside of family time, the highlight was attending Mass in the new cathedral of the Diocese of Knoxville, Tennessee. I highly recommend a visit to the cathedral if you are ever in the area. It has some of the great quality

and character of the wonderful European basilicas and cathedrals built hundreds of years ago. Yet it somehow retained a warm and inviting feel. Knoxville was only named a diocese in 1988 and had been using an existing church as its cathedral until the parish council decided that due to a great increase in the number of Catholics in the new diocese, a new cathedral needed to be built. The new building was completed in 2018.

The "bad news" was the report we received from here in Clinton County that the pro-life banner which we portray here at St. Joe's each October had been destroyed while in front of another church. Please pray for those who did this, that the Lord soften their hard hearts. Let's remember them all in our prayers this week.

If you or a loved one ends up in a Hospital in Lansing and needs the Anointing of the Sick, please let your attending nurse know. For a number of years our parish has joined the Lansing parishes in providing funding for a chaplain (lay person) and a priest to be on call 24/7 for Sparrow and McClaren Hospitals in Lansing. Just let your nurse know you would like the Anointing of the Sick and he/she will contact the chaplain who will in turn contact a priest to come and give you the sacrament. This is the quickest way for you or your loved one to receive the sacrament, if they didn't already receive it before going into the hospital.

## St. Joseph Parish Summer Book Club

### *The Screwtape Letters*

In this humorous and perceptive exchange between two devils, C. S. Lewis delves into moral questions about good vs. evil, temptation, repentance, and grace. Through this wonderful tale, the reader emerges with a better understanding of what it means to live a faithful life.

This summer, read *The Screwtape Letters* by C.S. Lewis in your preferred format (book, ebook, or audiobook - there is even a free audio recording on YouTube).

Watch the bulletin for details on when we will meet to discuss the book in September.

The Rosary is prayed every Saturday afternoon 1/2 hour before Mass at the 5 p.m. Mass. Sunday morning 1/2 hour before Mass at the 8 a.m., 10 a.m., and Noon Masses

## Traveling this summer?

**MassTimes.org** provides worship times, locations, contact info, websites and maps of over 117,000 churches in 201 countries and territories.

## Why be registered?

If you seeking a sacrament for yourself or your child, or have been asked to be a Godparent or sponsor for a Confirmation Candidate, please make sure you are first an active, participating member of the parish. That means that you are *formally registered* and participating in the life of the parish especially participating in community worship through weekly attendance at Weekend Masses. When you are here for Mass, it is important that you place your contribution envelope in the collection, *even if it's empty*. There is no way I can possibly know how often, or even if, a person is attending Mass otherwise. Extra envelopes are available in the back of the church in case you forgot to bring yours with you. So, please use your envelopes by placing them in the collection each time you come to Mass. This will allow me to verify a person's Mass attendance quickly and easily when they present themselves (or their children) for Baptism, 1st Eucharist, Confirmation or Marriage. When it comes to this policy you should know, multiple envelopes put in at a weekend Mass will be considered participation for that *one* Mass. Additionally, envelopes dropped off or mailed to the parish office will not be considered participation at Mass.

Thank you in advance for your cooperation on this matter.

**Blessings - Fr. Mike**

## From Fr. Mike:

### The Importance of Mass

*If I've been away from Mass for a long time, or even once, can't I just start over, and begin going to Mass again and start receiving Holy Communion?*

Start coming to Mass right away, but as in the case of any other mortal sin, ask God's forgiveness immediately, but you must have all your mortal sins forgiven in the sacrament of Penance before you resume receiving Holy Communion again. Pope John Paul II wrote in *Dominicae cenae*, 24 February 1980, "But we must always take care that this great meeting with Christ in the Eucharist does not become a mere habit, and that we do not receive Him unworthily, that is to say, in the state of mortal sin. The practice of the virtue of penance and the Sacrament of Penance are essential for sustaining in us and continually deepening that spirit of veneration which man owes to God Himself, and to His love so marvelously revealed."
