Eucharistic Adoration

"If we really loved the good God, we should make it our joy and happiness to come and spend a few moments to adore Him, and ask Him for the grace of forgiveness; and, we should regard those moments as the happiest of our lives."

St. John Vianney

Eucharistic Adoration can be as simple as stopping by our church at a time it is open and spend a few minutes with Our Lord. Or, it could be making a commitment to make a weekly or monthly Holy Hour in adoration of our Eucharistic Lord. Text or call Rebecca at 989-292-2072 for more information.

WE ARE ALL EVANGELIZERS

(and whatever else is on
Deacon Eric's mind)

They Really Want to Know

As we know from the gospel story of John the Baptist (or 'Crazy John' as Peter calls him in *The Chosen*), King Herod Antipas threw John in prison because the Baptizer criticized Herod for marrying his brother's wife. But then, Bishop Robert Barron says, we are told the king loved secretly to listen to the prophet, who continued to preach from his cell." In the bishop's mind, this is where Herod shows his commonality with contemporary atheists.

Bishop Barron says biblical scholars believe that we are all hardwired for God. That would include, in the bishop's mind, some well-known atheists of our day like TV commentator Bill Maher and British evolutionary biologist Richard Dawkins (not to be confused with British actor Richard Dawson of *Hogan's Heroes*, *Match Game* and *Family Feud* fame). Maher is unabashedly anti-God and anti-religion and believes

that religion is actually destructive to society. Dawkins has written numerous books that touch on Darwinism and atheism, including one called *The God Delusion*.

Nonetheless, Bishop Barron believes that they implicitly want God and hence remain permanently fascinated by the things of God. The bishop contends that despite what these atheists say about eliminating all things religious, secretly they like to listen to people talking about God. Therefore, his words of wisdom to us are to get some spiritual weapons in our hands and be prepared for a fight. He sums up his thoughts with these words: "I'll keep talking—because I know, despite your protestations, that your hearts are listening."

The trick for us now is to take this perspective and apply it to our lives. If we are well-armed with our Christian understanding; well-armed with our knowledge of Scripture and; well-armed with comprehension of the Catechism, then atheists may listen to us more closely. The premise is straightforward. The key is knowing your faith. If we are only at a 5th or

6th grade level in understanding our faith, we cannot have a meaningful conversation with an avowed atheist who's had years of developing his/her position opposing God and religion. It's up to us to be schooled in Catholicism. If indeed the bishop's assertion that atheists are fascinated by the things of God and that their hearts are listening is true, the fascination will only be triggered by something beyond surface level knowledge.

So, let's put our minds to work if we have not studied the faith since our Confirmations. We can tackle the bible or the catechism. We can be part of the St. Joe book club which will be studying C.S. Lewis' master satire *The Screwtape Letters* this month or we can attend any other adult faith class St. Joe's presents in the upcoming months. Let's find a way to make Bishop Barron's assertion a reality. Let's fascinate an atheist, and if we can't do that, maybe we can lead some of our "lost sheep" back to the fold.

What is the Prayer Tree?

The Prayer Tree is an organized group of individuals who pray for our parish family. Prayer requests are confidential and are not shared with anyone outside of the prayer tree members. Parishioners can add their prayer requests for themselves, family members, or friends by contacting the Parish Office at 989-224-8994. The prayer request will be passed on to the prayer tree participants within one business day.

The prayer list published in the bulletin is not the same as the Prayer Tree.

To add an immediate family member to the bulletin prayer list call the parish office 989-224-8994.

Remembering the Parish

After providing for families and loved ones, you may wish to include St. Joseph Parish in your Will. All gifts are welcome, and we ask that you prayerfully consider whether a portion of your estate should be used to continue the ministries of the Parish. This can be accomplished with the words:

I bequeath to St. Joseph Parish of St. Johns, Michigan, [insert amount being given or percentage of residue] to be used to support the ministry of the parish.

A bequest can be a specific dollar amount, a specific piece of property, a percentage of an estate, or all or part of the residue of an estate. It is always recommended that you consult a lawyer for drafting or amending a will.

In a Lansing Hospital and need the Anointing of the Sick?

When you or your loved one is ill, receiving the Sacrament of the Sick is important. When in a Lansing area hospital, please let your attending nurse know you would like the Anointing of the Sick. They will contact the chaplain who will, in turn, contact a local priest who is "on call" to come and give you the sacrament. This is the quickest way for you or your loved one to receive the sacrament, if they didn't already receive it before going into the hospital.

St. Joseph's has Automatic External Defibrillators (AEDs) at both the church and school buildings. **The church's AED is located in the main vestibule, across from the ushers' cabinet, above the metal angel donation box. The school's AED is located on the second floor of the center building, across from the library and teachers' lounge.**

If you were raised as a child in the parish:

- And are now over 18 years of age
- And you did not fill out a parish registration form
- You are NOT a registered parishioner!

Why is it important to be registered in the parish:

- We can reach you with important information about the parish and its ministries
- We have a more accurate idea of the number of parishioners we have in the parish.
- It allows us to seek your input and feedback.
- It allows you to formally support the parish financially, since envelopes will be issued to you for your use.
- We can start a sacramental record for you.
- Finally, registering can also help you have a greater sense of belonging to and ownership of the parish.

Please note:

The **envelopes** you receive when registering **will now play an important role in the reception of the sacraments.** (i.e. Baptism, Eucharist, Confirmation, Godparents, and Marriage) in the parish. We're asking all parishioners to get into the habit of using your envelopes in the weekly collection. Even if you give online or don't have anything to put in the envelope, please submit an empty envelope. It will help us know how many registered parishioners attend a given Mass and it will also come in handy for determining if a person, presenting themselves for a sacrament, is attending Mass regularly as is required.

You can obtain a registration form from our website at www.stjoecatholic.com under forms or stop in the parish office.
