## WE ARE ALL EVANGELIZERS

(and whatever else is on  
Deacon Eric's mind)

### Power of the Rosary

The Catholic Church dedicates the month of October to the Rosary, but there are many Catholics who wonder what's so special about it. St. John Henry Newman answers that very pointedly:

"The great power of the Rosary lies in this, that it makes the Creed into a prayer. Of course, the Creed is in some sense a prayer and an homage to God; but the Rosary gives us the great truths of (Christ's) life and death to meditate upon, and brings them nearer to our hearts."

Though some people view the Rosary as a lot of repetition, if prayed with sincerity and at an even pace (don't race through it), it gives us an opportunity to reflect on the very special moments of Mary's and Jesus' lives. For example, let's go thorough the Joyful Mysteries.

The five Joyful Mysteries are the Annunciation, the Visitation, the Nativity, the Presentation and the Finding of Jesus in the Temple. Note that the mysteries are prayed in chronological order, so we can, in essence, join Mary in her walk as the mother of Jesus. We can meditate on each of her steps. Take a minute and think about the Annunciation, how wonderful and awesome it must have been for Mary to have an angel of God come and say "Hail favored one." Then that Angel Gabriel goes on to tell her that she would give birth to Jesus, the son of God.

The second mystery is the Visitation, and again we can only imagine the shared joy of Mary and her cousin Elizabeth, with John the Baptist leaping in his mother's womb in the presence of Jesus in Mary's womb. The Nativity, Jesus' birth, needs no further explanation, but once again there is great joy not only for Mary, but Joseph as well. That parental joy was again shared in the fourth mystery with their Presentation of Jesus at the temple, followed 12 years later by joy, and a collec-

tive sigh of relief when they found Jesus in the Temple after three days of searching.

So I hope we can all see the opportunity for meditation in the Rosary. The Glorious Mysteries take us from the Resurrection through the Coronation of Mary as Queen of Heaven; the Sorrowful Mysteries cover the Agony in the Garden through the death of Jesus and; the Luminous Mysteries, added by then Pope John Paul II in 2002, cover events of Jesus ministry from his Baptism in the Jordan through the institution of the Eucharist at the Last Supper.

Each and every one of the mysteries gives us an opportunity to reflect on important events in the lives of Mary and Jesus. Pray the Rosary during the rest of October. Pray it privately or pray it publicly (i.e. before Sunday or Tuesday night Masses), but pray it, and feel the power of the Rosary.

This display is presented by Clinton County Right to Life as a reminder of the thousands of innocent babies in Michigan who have lost their lives due to abortion. It is also a reminder of the anguish of the mothers who made this decision, *often* due to the pressure from those around them. It is also to remind us to pray during this Respect Life Month for the end of abortion, for the women who suffer because of abortion and for the conversion of those who support abortion. Prayers can be made here in the our church, at home or as a part of the 40 days of Life prayer.

## When in a Lansing Hospital and need the Anointing of the Sick?

When you or your loved one is ill, receiving the Sacrament of the Sick is important. When in a **Lansing area hospital**, please let your attending nurse know you would like the Anointing of the Sick. They will contact the chaplain who will, in turn, contact a local priest who is "on call" to come and give you the sacrament. This is the quickest way for you or your loved one to receive the sacrament, if they didn't already receive it before going into the hospital.
