## WE ARE ALL EVANGELIZERS

(AND WHATEVER ELSE IS ON  
DEACON ERIC'S MIND)

### Let's Make Our Lent Fruitful

Hallelujah! everyone. The Lord is risen and the gates of heaven are opened. We made it through Lent with only a couple missteps and now it's back to the old lifestyle of candy, french fries, pizza and beer, right? I think not! The whole idea of fasting and almsgiving throughout Lent is to make our lives more Christ-like, so that we can turn away from our old faults and live better Christian lives. After all, the true test of Lent isn't what we can do differently in our lives for a 40-day period, but which of the changes we made for Lent will bear fruit.

We are in a similar position as the apostles were, who just weren't sure what they were supposed to do next. The Acts of the Apostles is the first biblical book after the gospels and we will hear from it throughout the Easter season. We are told early by Acts author, Luke of Jesus' Ascension 40 days after his Resurrection. Then we have the descent of the

Holy Spirit on the apostles, then we see how they laid the Church's foundation.

A great way to make that happen would be to attend next Saturday's (April 26th ) Easter Retreat in the church basement. We normally view retreats as full-day or multi-day events that allow for extended periods of prayer and reflection. This is a little different in that it is only four hours long -- running from 9:00 a.m. until 1:00 p.m. and is designed to take a deep dive into the lives of the apostles, who as we know, were at a loss for what to do until sent on mission by the Holy Spirit on Pentecost.

The retreat is entitled "Journey With the Apostles" and will help us build on the successes we had in Lent. The program, which will feature inspiring talks in addition to Eucharistic Adoration, will be run by a team of biblical instructors from the Catholic Biblical School of Michigan. Having taken their four-year bible series, I can attest to the quality of their instruction. Cost is 25 dollars and includes a light breakfast and coffee. If anyone would like to come but is a little light on cash after Easter, please contact Amanda Grigar at the

church office and your fee will be covered.

The whole idea is to bolster us in our faith and help us take our short-term gains of Lent and turn them into long-term fruitful changes in our spiritual lives. We are in the Octave of Easter and "Journey With the Apostles" can help make that a permanent state of spiritual well-being. See the bulletin for registration website and phone number. Let's journey along with apostles.

Congratulations and welcome to all those who came into full communion with the Church at the Easter Vigil. A very hearty welcome to St. Joe's for Chris, Jesse, Laureen and Lindsey.

**The Divine Mercy Chaplet**

The Divine Mercy Chaplet is an intercessory prayer that asks the Lord to send His mercy upon us and upon everyone living in the world. It is prayed using the rosary and takes ten minutes to pray. The chaplet is traditionally said during the hour of mercy, the 3:00 p.m. hour. According to the Diary of St. Faustina, Jesus promised that all who recite this chaplet at the hour of death or in the presence of the dying will receive great mercy. The Vatican has approved Jesus' promises to St. Faustina regarding the Chaplet, Divine Mercy Sunday and the Divine Mercy picture. You may want to research the many promises of mercy that Jesus made to St. Faustina. The chaplet is an intercessory prayer that extends the offering of the Eucharist so it is especially appropriate to pray it after receiving the Eucharist at Mass. Please join the Path of Divine Hope Grief Ministry after the last Saturday Mass each month when the Divine Mercy chaplet is said for the parishioners who died during the month.

This month it will be **prayed after mass on April 26th**

**Due to early bulletin printing deadlines, the collection from the weekend of April 13, 2025 appear in a later bulletin.**

## The Pursuit of Wisdom: The Church and Science (Faith and Reason)

Thursday, May 15, 2025 at 6:20 p.m.

St. Joseph Parish, lower level of the church

Today there is a popular narrative that Catholicism and science are irreconcilable enemies. Many even believe that the Church has been responsible for hindering scientific progress and continues to do so, to the point of crisis for millions who have abandoned the Faith over perceived discrepancies between Christianity and science. In this talk for teens and adults, Catholic history author and teacher Phillip Campbell will discuss the historical relationship between Catholicism and scientific inquiry. When we understand the past, we can better understand how we arrived at our current situation - and thus respond to those who believe that faith and reason and incompatible.
