Eucharistic Adoration

"I urge you with all the strength of my soul to approach the Eucharistic Table as often as possible. Feed on the Bread of the Angels from which you will draw the strength to fight inner struggles, the struggles against passions and against all adversities, because Jesus Christ has promised to those who feed themselves with the most Holy Eucharist, eternal life and the necessary graces to obtain it.

~St. Pier Giorgio Frassati

Pier Giorgio Frassati who was canonized this September 7th was only 24 when he died from polio in 1925. He was athletic, "riotously funny," and served the poor. He received daily communion from the age of 12 until the day before death with few exceptions. He spent frequent hours in Adoration, often during nighttime hours, sometimes in his mountain clothes so he could leave early in the morning for an outing.

WE ARE ALL EVANGELIZERS

(AND WHATEVER ELSE IS ON
DEACON ERIC'S MIND)

Cracks in Our Windshields

As we go along in life, we realize how little control we have over what happens to us. A good example is a stone either falling out of the bed of a truck or perhaps kicked up by that vehicle's tire that bangs into our car's windshield. Such an incident happened to my wife and I as we were headed toward our granddaughter's soccer game this past Saturday. The stone cracked the windshield in the lower right hand side and the crack immediately started to inch its way toward the middle of the windshield.

The incident got me to thinking about how we all react to cracks in our windshields. Do we curse left and right as if someone did this on purpose? Or do we remain calm and just accept it in the hopes that windshield replacement is part of our car insurance policy? The fact is that some of us accept the various cracks in our windshields as a part of life that create inconvenience and maybe a little cash, while others see

these occurrences as part of a plot to "get us."

There are many variables that go along with a crack in the windshield, of course. If the stone is fairly big and hits the windshield directly in front of the driver and spiders out quickly, it's a bigger problem than if it hits the lower part of the windshield on the passenger side. Financially, it's a bigger problem if one's car insurance does not cover windshield replacement than if one only has to pay a hundred dollar deductible.

Unfortunately, it's part of life and with God's help we get by. There are numerous people who are concerned that the world's windshield has a huge irreplaceable crack in its windshield. The shooting up of a church full of elementary students and the assassination of a political activist recently has many comparing it to the 1960's, when President John Kennedy was killed, as was his brother, a later presidential candidate. That same decade saw the assassination of civil rights activists Martin Luther King Junior and Malcolm X.

From a practical standpoint, there is not much we can do about the world

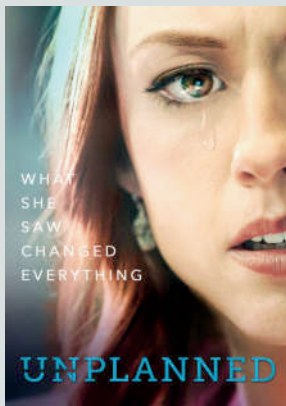

situation, whether it be war or other forms of violence. But we can always pray. Some political leaders ridiculed the thought of prayer after the Minneapolis church shootings, but we know the value of prayer. We had a very good turnout for our 40 hour adorations earlier this summer and we will have upcoming events such as healing services and an Advent prayer service of light. Now we will start a prayer campaign to bring the lost sheep within our parish back to church.

I can replace the windshield in my car and easily eliminate my crack-in-the-windshield problem. We all need God's help in improving the world situation, its crack too big for any one of us. With God, anything is possible, so let's get down on our knees with our hands folded and get to work.

Piety for the Dead in Catholic Tradition

Thursday, October 23, 2025

6:30 p.m. in the Church Basement

For Catholics, the Church is not only those of us who happen to be alive and walking around--it also includes the generations who have gone before us! From time immemorial, piety for the dead has been an integral aspect of Catholic spirituality, a means whereby we connect with our past and aid the departed souls with our prayers.

In this talk, Catholic history author **Phillip Campbell** will do a deep dive into the history, customs, and spirituality behind the Church's piety for the dead and leave you with a greater appreciation for the Church's tradition.
